

Riegelsville Historic Committee

Historic Item Pre-Approval Donation Form

Dear Donor,

Thank you for your interest in donating your historic item to the Riegelsville Public Library. The Historic Committee is a sub-committee of the Riegelsville Public Library Board of Trustees and is responsible for managing the Historic collections and the Historic Room. The committee consists solely of volunteers and the Riegelsville Public Library does not have a paid curator to manage the collection.

Because of the limited space to house our collections and the availability of funding, we must narrow our collections to the culture and history of Riegelsville, PA. We can only accept donations that apply to our mission.

If you are interested in donating an historic item, please use the attached application form. Complete it and return the form to the Librarian. The form will be routed to the Historic Committee for review. You will be contacted by a committee member as to whether or not your item will be accepted. Please do not drop your item off without following this process. Our Librarian cannot accept your donation without the approval of the Historic Committee.

Thank you for your understanding. We appreciate your interest in our quest to preserve the rich culture of the village of Riegelsville, PA.

Sincerely,

Riegelsville Historic Committee Members
