News & Events

2026 | *Autumn Programs & Events*

Message From the Director

Thank you to everyone who came out on Saturday, August 15th to help celebrate the library's 50th Anniversary. It was September 8, 1976, when the Riegelsville Borough Council signed the resolution which authorized the Library Trustees to operate the library. We are privileged and proud to serve our patrons and to have been your location for books, DVD's and more for the last 50 years.

As we move into the autumn season we are pleased to offer a variety of programs for our patrons. The autumn session of storytime will resume Tuesday, September 8th. The Friends of the Riegelsville Library Annual Flea Market will take place on Saturday, September 19th. Come by for delicious food served up by the Friends of the Library and lots of interesting items from the vendors. Everyone in the community is invited to stop by Tuesday, October 6th for a special storytime visit from Palisades Regional Fire Rescue; please bring any questions you have regarding fire safety in your home. Homeschool Hangout returns from its summer hiatus in October, with a special visit from Cooks Creek Watershed

Association. Halloween morning paleontologists Mike & Roberta Straka will take us on a "Dinosaur Expedition Adventure". In November the Fall Used Book Sale returns. Donations for the sale will be accepted through the first weekend in November.

More Holiday information will be advertised in the Holiday Preview newsletter, but we wanted to make sure that our families knew Santa will return this year for a special Saturday storytime in December. Mark your calendars now for this December 12th event. We will see you around the library!

A word about our new look. . .

You many have noticed that we are including text versions of all of our fliers in the last few newsletters. While the fliers are pretty, our friends using assistive technologies are often not able to use these technologies to read our newsletter. Because we want everyone to know about the programs and events we have at the library, we will also be including text versions to better serve all of our patrons. Please contact the library and speak to Miss Becky if you have further concerns regarding access to our newsletter.
